

82D CONGRESS  
1ST SESSION

# H. R. 3339

---

## IN THE HOUSE OF REPRESENTATIVES

MARCH 20, 1951

Mr. FOGARTY introduced the following bill; which was referred to the Committee on Interstate and Foreign Commerce

---

## A BILL

To provide for a survey of sickness in the United States.

Whereas the latest information on the number of persons in the country suffering from such diseases as heart disease, cancer, diabetes, rheumatism, arthritis, and other disabling diseases, injuries, and handicapping conditions is now fifteen years old and seriously out-of-date; and

Whereas such information is urgently needed for (1) an appraisal of the true state of health of our citizens, and (2) for the effective planning of any programs to improve their health, and (3) for research in the field of chronic diseases, and (4) for an evaluation of the impact of long illness upon the economic status of families with members so afflicted, and (5) for measurement of the numbers of persons in the working ages so disabled as to be unable to perform gainful work; Therefore

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*  
3       That the Surgeon General of the Public Health Service in  
4       the Federal Security Agency is authorized and directed (1)  
5       to make a survey of the population of the United States by  
6       the most reliable means, to determine, (a) the number,  
7       age, sex, ability to work, and usual occupation of persons  
8       afflicted with chronic or other disease or injury or handi-  
9       capping condition; (b) the type of disease or injury of  
10      each person so afflicted; (c) the length of time that each  
11      such person has been prevented from carrying on his usual  
12      occupation or activities; and (2) to report to the Congress,  
13      within twelve months after the date of enactment of this Act,  
14      the results of such survey.

15      SEC. 2. To assist in carrying out the provisions of this  
16      Act, the Administrator of the Federal Security Agency, on  
17      the request of the Surgeon General of the Public Health  
18      Service, shall request the cooperation of the State health  
19      departments in the various States, and other Federal, State,  
20      and local government agencies. The Surgeon General may  
21      consult with nongovernmental associations and experts in  
22      planning the survey and preparing the required report.

23      SEC. 3. There are authorized to be appropriated such  
24      sums, not exceeding in the aggregate \$750,000, as may be  
25      necessary to carry out the provisions of this Act.
